Dabhol power project

431. SHRI DIPANKAR MUKHERJEE; Will the Minister of POWER be pleased to state;

(a) whether Government's attention has been drawn to the newsitem captioned "MSEB not to purchase from Dabhol power till September" which appeared in the 'Economic Times' (New Delhi) dated the 13th June, 2000; and

(b) if so, Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) Yes, Sir.

(b) The Maharashtra State Electricity Board (MSEB) has informed that they

are purchasing power regularly from Dabhol Power Company (DPC) on bulk basis. They have further stated that the correct factual position is as follows:

The factual position is that MSEB is buying power from DPC as per the requirement of MSEB system. The DPC Unil-1 was under plant shut down from 2.6.2000 to 2.7.2000 for rotor replacement and Unit-2 & 3 were under shut down from 8.6.2000 to 29.6.2000 for replacement of excitation transformer. Hence, during this period, the question of taking power from DPC did not arise. After the plant was started, MSEB is taking power as per its requirement. MSEB's present off take is about 4 to 5 Million Units daily from DPC, since due to monsoon, the system load demand has gone down. It has further been stated that there is no intention of MSEB not to buy power from DPC.
